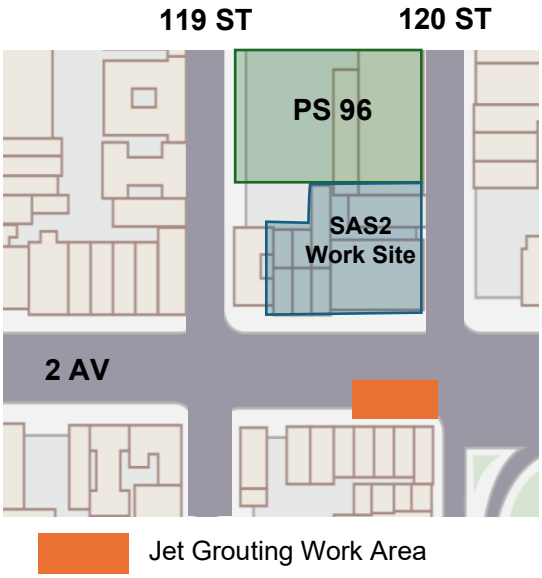
SECOND AVENUE SUBWAY
PHASE 2 East Harlem

COMMUNITY OUTREACH | 116 ST STATION AREA | FALL 2026

CONSTRUCTION NOTICE
JET GROUTING WORK ON 120 ST AND 2 AV BEGINNING NOVEMBER 14, 2026

PLEASE BE ADVISED: The MTA and its contractor, Connect Plus Partners, will be **conducting jet grouting work on 120 St and 2 Av** for the advancement of Phase 2 of the Second Avenue Subway project. This operation supports the removal of obstructions in the path of the Tunnel Boring Machine (TBM) that will start tunneling operations next year. Jet grouting will last until the end of January 2027.



Work will begin on November 14, 2026, and the contractors will be working the following hours:

- Weekdays: 7 a.m. to 7 p.m.
  - Intermittent overnight work: 12 a.m. to 7 a.m.
- Saturdays: 7 a.m. to 5 p.m.

How we're keeping you safe and minimizing impacts:

- Access to neighboring properties will be maintained throughout duration of work.
- A protective buffer zone with secure fencing will surround the work area, and access will be controlled throughout operations.
- To minimize dust and noise associated with the work, the MTA will employ rigorous environmental monitoring and safety plans, including continuous environmental monitoring of noise, dust, and vibration.

Our commitment to the community: The MTA is committed to protecting public health and the environment. Every step of this project is guided by industry best practices, regulatory compliance, and a dedication to community safety. MTA will continue to communicate with the community to minimize disruptions whenever possible.
