## We're serious about safety— your safety

We are committed to providing you with the safest service possible. Please take a moment to read this list and consider what can happen if you're not careful:

- **Don't run for the bus** — that's when most accidents happen. Slips, trips, and falls are the most common causes of injuries.
  - **Stand behind the white line** if you are in the front of the bus. A sudden stop could propel you forward into the dashboard, window, or stairwell.
  - **Avoid standing in the stairwell** of the rear door, and don't lean on the rear door.
  - **Allow the bus operator to secure your chair** if you are in a wheelchair.
  - **Keep your head and arms inside** bus windows.
  - **Signal the bus operator** two blocks before you want to get off so that there's sufficient time to stop.
  - **Hold the handrail** when you exit, particularly in wintry weather when the steps get slippery from snow.
  - **Watch for cars** as you leave the bus. This becomes even more important when the bus operator is unable to pull completely into the bus stop. Make it a point to not cross in front of the bus after you get off.
