PROPOSED ROUTE SUMMARY

The proposed B7 would be extended north to Fresh Pond via Cooper St/Av, 61/62 Sts, and Fresh Pond Rd for a new interborough connection. The new extension would replace a portion of the existing B13 in Glendale and would travel a path similar to a portion of the existing B20 in Bushwick. A connection to the J train would

be available at Chauncey St Station instead of Halsey St Station.

IMPROVEMENTS

ROUTE

- Interborough route
- New connections
- Improved stop spacing

No frequency or service span changes are being proposed at this time.

As a Local route, stops would be spaced slightly farther apart than existing to speed
