

Penn Station Access is a critical transportation equity project which will improve reliability, reduce travel time, and expand mass transit options throughout the region.

Closures on Bronxdale Avenue between Poplar Street and Sackett Avenue

Ongoing work on the Penn Station Access project will require a one-lane closure, daytime sidewalk closure, and parking removal on Bronxdale Avenue between Poplar Street and Sackett Avenue.

Beginning Monday, December 5th for approximately 2 weeks:

One travel lane and the parking lane on southbound Bronxdale Avenue will be closed. One travel lane will remain open. Additionally, the southbound sidewalk will be closed from approximately 7AM to 3PM. Pedestrians will be routed to a protected temporary sidewalk. Access to businesses on Bronxdale Avenue will be maintained.
