NON-CONSTRUCTION CONTRACT SOLICITATION NOTICE

MTA- HQ IS NOW ADVERTISING FOR THE FOLLOWING:

SSE #: 0000439448

OPENING/DUE DATE: 08/04/2023

TYPE OF SOLICITATION: IFB

DOCUMENT AVAILABILITY DATE: 07/12/2023

SOLICITATION TITLE: Quantum servers for GCM (Grand Central Madison)

DESCRIPTION: The Metropolitan Transportation Authority's (MTA) Long Island Rail Road (LIRR) system is responsible for the Safety and Security of its infrastructure, staff, and general public. This solicitation has been issued to acquire servers (video data network storage devices) which will support the Counterterrorist (CT) electronic security system (ESS) measures within the Grand Central Madison (GCM) facility. The LIRR is seeking to procure servers to upgrade the CT ESS measures within GCM. The upgrade will increase the quantity of high-density video management servers currently installed within this facility. The additional servers will allow for the viewing and long-term storage of Closed-Circuit Television video data. Moreover, the servers will allow for the video data to be streamed live from the Jamaica Regional Security Command Center (RSCC). The addition of these servers will increase the security measures in the new GCM facility
