# SMALL BUSINESS DEVELOPMENT PROGRAM

**DIRECTORY OF PARTICIPATING  
CONSTRUCTION CONTRACTORS**

Published: January, 2024

Department of Diversity and Civil Rights  
<https://new.mta.info/sbdp>

## Metropolitan Transportation Authority

State of New York

All MTA Small Business Development Program contractors complete a rigorous training program that enables them to incorporate construction industry best practices, management expertise, as well as tools and skills needed to grow their businesses and take on progressively larger contracts with the MTA and other public agencies. We hope you will consider them for your next project.

The SBDP has published these directories to provide you with the contact information of each of our program's contractors. It is categorized to assist you in identifying potential teaming partners and subcontractors. The trades identified are those that have been prequalified through the MTA's Small Business Mentorship Program.

The MBE and WBE certifications listed are those currently active with the New York State Empire State Development (ESD). Several of our contractors have applications pending with ESD, and once attained, they will be reflected in future publications.

MWBE certification with New York State Empire State Development may be verified here: <https://ny.newnycontracts.com/?TN=ny>

DBE certifications listed are those currently active and reported on the New York State Unified Certification Program website here: <https://nysucp.newnycontracts.com/>

SDVOB certification is administered by the New York State Office of General Services and is provided here: <https://ogs.ny.gov/Veterans/>

Thank you for your consideration of SBDP contractors for your next project. We look forward to sharing future publications of these directories with you.

Sincerely,

The MTA's Small Business Development Team

Lourdes Zapata  
Chief Diversity and Inclusion Officer  
Small Business Development Program
