

# Planned Service Changes

March 13–16, Friday 11:45 PM to Monday 5 AM

There will be no 8 Av **A C E** service at 50 St, 42 St, 34 St, 23 St, and 14 St stations.

**A** rerouted via 6 Av; **E** rerouted via Broadway.

## What you need to know about your service:

### What's happening?

Signal equipment near W 4 St on the **A C E** Eighth Av Line keeps causing frequent delays and must be fixed. Our repair crews need a full weekend of uninterrupted track access to complete this work.

Targeted fixes like this are necessary as we move toward a modernized signaling system across the subway network.

While we repair our legacy signal system, we're using this outage to do prep work for a modern Communications Based Train Control (CBTC) signal system on the line. We'll also perform structural inspections and track work.

### Where will service run?

**A** will be rerouted via **D** between 59 St-Columbus Circle and W 4 St. Trains will make local **F M** stops at 23 St and 14 St.

**C** is replaced in **Manhattan** by rerouted **M** and overnight **A** local service along Central Park West. **C** will not run.

**E** will be rerouted via **R** between Queens Plaza and Whitehall St, the last stop.

**M** will be rerouted via **D** between 47-50 Sts and 59 St-Columbus Circle, and via **C** local to/from 168 St, the last stop (days/evenings).

### What are the best travel alternatives?

Use 6 Av **D F** stations to connect with rerouted **A**.

Use Broadway **N Q R** stations to connect with rerouted **E**.

**Manhattan West Side, Penn Station and Port Authority Bus Terminal:**

Use 7 Av Line **1 2 3** and transfer between **1 A M** at 59 St-Columbus Circle and **1 2 3 E** at Times Sq-42 St.

**Lower Manhattan:** **A** will make regular **A C** stops. Transfer between **A E** at 34 St-Herald Sq and **E** (at Cortlandt St **R**) and **A** at Chambers St.

**Brooklyn:** **A** trains will serve all **A C** stops in Brooklyn.

### What else should I know?

**M** customers headed to/from the **Upper East Side:** Get there with **Q** service via transfer at 34 St-Herald Sq **F M Q** or Lexington Av/63 St **F Q**.

**A C** and **D** customers north of 59 St-Columbus Circle:

Nightly FASTRACK service changes will take place Mar 16–20 and Mar 23–27, affecting **A C** service between 59 St and 207 St and **D** service between 59 St and 161 St in the Bronx. For more details visit, [mta.info](http://mta.info).
