You are responsible for determining whether you meet the eligibility requirements for this examination prior to submitting the application. **Foreign Education Fact Sheet (required only if you need credit for your foreign education for this examination):** If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. The services that are approved to make this evaluation, as well as instructions on how to submit this evaluation are listed in the Foreign Education Fact Sheet, which will be attached to this Notice of Examination during the application period. When you contact the evaluation service, ask for a “document-by-document” (general) evaluation of your foreign education. Your foreign education evaluation must be submitted directly to NYC Transit’s Examinations Unit by the service completing the evaluation. Foreign education evaluations received directly from applicants will not be accepted. However, you must indicate that you have completed the higher-level degree in the United States; proof of acceptance into an academic program or school is not sufficient to determine satisfactory equivalency.

This examination is **not** open to employees of New York City Transit or MaBSTOA, or to employees of MTA agencies other than MTA Bus Company.

### **(B) DISABILITY:**

If you have a disability which will interfere with your ability to take any test in this examination without special accommodation(s) or other assistance, you must submit a written request for specific special accommodation(s) for each test no later than **thirty (30) days** before the first test date listed on the Notice of Examination (NOE). Each request must include:

- your full name and Applicant ID (if known) or the last 4 digits of your Social Security Number (SSN),
- the exam number and title,

Please note that MTA New York City Transit may request additional information, including medical documentation evidencing that you have a disability and the need for specific special testing accommodation(s). If you have been approved for special testing accommodations in the past, either while attending school or for employment purposes, feel free to include that supporting documentation, as it may expedite the review process.

If you have a temporary disability, pregnancy-related, or child-birth-related condition which prevents you from taking a test on the date that it is scheduled, which is listed on the Notice of Examination (NOE), you may request a make-up exam by submitting a request no later than **one week following close of the application period**, or, if the temporary disability, pregnancy-related, or child-birth-related condition arises after that date, within **one week following the occurrence**. In addition to the information specified above, the request must include original medical documentation signed by an appropriate, licensed doctor specifying 1) the nature of the condition, 2) the duration of the condition, 3) the functional limitations of the condition, and 4) why the condition prevents you from taking the test as scheduled. Where appropriate and practicable, MTA New York City Transit may provide an alternative form of accommodation, such as an alternative test site.

**IMPORTANT:** Supporting documentation **must** satisfy the criteria above. Documentation satisfying an employer's requirement(s) for a leave of absence may **not** be sufficient.

### FOREIGN EDUCATION FACT SHEET

- In order to receive credit in the examination for your foreign education, you must have your foreign education evaluated by **one of the approved services on the reverse side**.
- Refer to the Notice of Examination to find out whether you need a "document-by-document" evaluation (general) or a "course-by-course" evaluation (which includes a "document-by-document" evaluation) of your foreign education.
- The cost of evaluating your foreign education is paid by the applicant.
- Your evaluation must be received no later than **8 weeks** from the last day to apply for this examination. If your evaluation is not received by this time, your foreign education will not be rated. An extension of this time limit is available if the evaluation service submits an acceptable reason in writing for the delay.
- All acceptable foreign education evaluations submitted directly by the evaluation service to the address below **will be retained in a permanent file for future reference. However, if a document by document evaluation is on file with us and you are now applying for an examination that requires a course by course evaluation to meet the education qualification(s), you will need to have an evaluation service send us a course by course evaluation. If you are having a foreign education evaluation sent to us for the first time and you are applying for multiple exams in the same month, the evaluation service that you use only needs to send us one foreign education evaluation.**
- Photocopies of foreign education evaluations received from candidates will **not** be accepted and may be returned or discarded.
- Only foreign education evaluations submitted directly to us by an approved evaluation service with a *raised seal* or an *original stamp* of the evaluation service on the evaluation will be accepted.
- If you previously had a foreign education evaluation done by one of the approved evaluation services listed on the reverse side for another purpose, we will accept your foreign education evaluation provided that it is stamped "certified duplicate original" **and** received directly from that evaluation service.

-----

In order to obtain an official confirmation that we have received your foreign education evaluation from the service that you selected, we recommend that you have a stamped, self-addressed postcard included by the service when your evaluation is sent to us. We will return the post card to you to acknowledge that your foreign education evaluation has been received. **Due to the number of foreign education evaluations received, a delay may occur in confirming the receipt of your evaluation by telephone or in-person inquiries.**

#### Have the evaluation service include:

- Your **name** and **social security number** on the evaluation; and
- The **Exam Title** and **Examination Number** of the examination you are applying for on the envelope.
- A stamped, self-addressed stamped postcard (for confirmation of receipt of your foreign education evaluation).
