MTA COVID-19 TESTING

Attention MTA Employee: You can be tested for COVID-19, if symptomatic or asymptomatic with an exposure, at any Northwell Health-GoHealth Urgent Care location

In order to reserve a spot at a Northwell-GoHealth center, please visit www.gohealth.com/nyc or call the dedicated first responder call center at: 718-987-4893

Attention Northwell Health-GoHealth Team Member:
Please register this MTA employee as a first aid visit

- **Use "First Aid" Visit Type and save the appointment.**
- **Please add MTA as an insurance- you will leave subscriber ID blank.**
- **Once the insurance is saved, select NEW CASE.**
- **Once in Case Details:**
    - **Use MTA as case label**
    - **Under Status: select open**
    - **Select "add insurance" under insurance information and select "MTA"**
    - **Click OK**
    - **You will now see "MTA" under insurance Information**
    - **Click OK when complete**
- **Open the appointment window and select "MTA" in the Open Case field**

Workflow is also on the staff resource hub

Attention: MTA EMPLOYEES

Please be advised that your test results will be shared with your employer.

Please notify a staff member prior to testing if

you have any objection.
