- Resume substation plumbing installations.

East Zone:

- Restore sidewalk at southwest corner of 28<sup>th</sup> St and 8<sup>th</sup> Avenue.

## Stage 2 - Installing/Rerouting Utility Lines, Secant Piles

## Project Status

Contract Awarded: 10/24/2022

- Contractor: Skanska E-J Electric 28S Joint Venture
- Mobilization: 1/16/2023
- Milestone #1 (restoration of 28 Street): 04/18/2025
- Milestone #2 (Substantial Completion): 9/16/2025
- Final Completion: 12/15/2025

**Work hours for the project are 7am to 6pm Monday to Friday, though we anticipate confining the noisiest of work to 8am-4pm.**

**The contractor is allowed per DOT permit to work 8am-4pm on weekends, but no noisy work is allowed.**

The MTA is building a new underground power substation at West 28 Street. This will provide dependable and redundant power for the existing system serving the **A**, **C**, **E** subway lines, while also supporting our upgrade to a new train control system which will bring you better, more frequent, and more reliable service.

The community can expect regular communication, throughout the project, including regular construction updates and at key milestones on the [project's webpage](#) and a dedicated email address ([w28thoutreach@mtacd.org](mailto:w28thoutreach@mtacd.org)) to field concerns.

Thank you for your patience while we build this vital public works project.
