You are receiving this notice as part of the MTA’s continuing effort to keep the community apprised of construction activities in support of the West 28th Street Substation project.

The MTA’s contractor for the W28th Street Substation Project, Skanska E-J Electric 28S Joint Venture, completed the following items this week:

Main Zone:

- Restored sidewalk at southwest corner of 28th St and 8th Ave.
- Completed 28th St milling and paving.
- Completed 28th St pavement markings.
- Continued electrical installation inside substation.
- Permanent low-tension energization.
- Continued substation door installations.
- Resumed substation plumbing installations.

Track Work:

- Resumed 34th St and 23rd St communication room installations.

Work during the week of April 21st will include, but not be limited to:

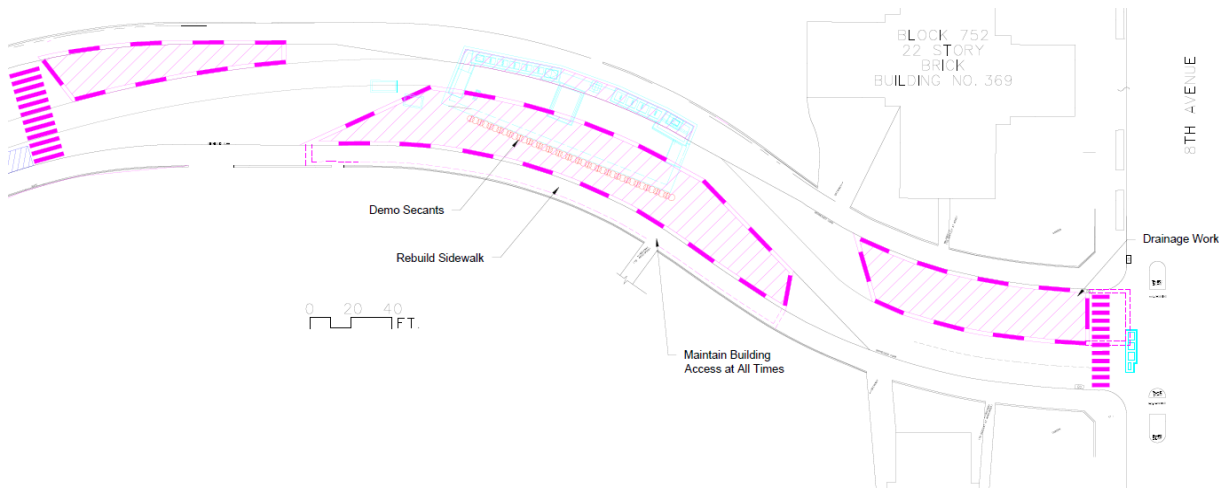

Main Zone:

- Continue electric installation inside substation.
- Continue substation plumbing installations.
- Resume miscellaneous metals installations in substation.

Track Work:

- Continue 34th St and 23rd St communication room installations.

Stage 2 - Installing/Rerouting Utility Lines, Secant Piles

Project Status

Contract Awarded: 10/24/2022

- Contractor: Skanska E-J Electric 28S Joint Venture
- Mobilization: 1/16/2023
- Milestone #1 (restoration of 28 Street): 04/18/2025
- Milestone #2 (Substantial Completion): 9/16/2025
- Final Completion: 12/15/2025

Work hours for the project are 7am to 6pm Monday to Friday, though we anticipate confining the noisiest of work to 8am-4pm.

The contractor is allowed per DOT permit to work 8am-4pm on weekends, but no noisy work is allowed.

The MTA is building a new underground power substation at West 28 Street. This will provide dependable and redundant power for the existing system serving the **A**, **C**, **E** subway lines, while also supporting our upgrade to a new train control system which will bring you better, more frequent, and more reliable service.

The community can expect regular communication, throughout the project, including regular construction updates and at key milestones on the [project's webpage](#) and a dedicated email address (w28thoutreach@mtacd.org) to field concerns.

Thank you for your patience while we build this vital public works project.
