

METROPOLITAN TRANSPORTATION AUTHORITY
ENTERPRISE RISK MANAGEMENT /INTERNAL CONTROL

COMPLIANCE CERTIFICATION 2024

2 BROADWAY, NEW YORK, NY 10004

In compliance with New York State Public Authorities Law Sections 2931-2932 ("Act") and other relevant internal control/risk management standards the MTA has:

- (1) Established and maintained guidelines for a system of enterprise risk/internal control management,
- (2) Pursuant to those guidelines, established and maintained a system of enterprise risk/internal control and a program of internal control review,
- (3) Made available to each officer and employee of the MTA clear and concise policies and standards, which they are expected to comply,
- (4) Designate an Internal Control Officer, who reports to the authority head, to implement and review the internal control responsibilities,
- (5) Implement education and training efforts to ensure that officers and employees have achieved adequate awareness and understanding of internal control standards and, as appropriate, evaluation techniques, and
- (6) Periodically evaluate the need to establish, maintain or modify the internal audit function.

Therefore, we hereby certify to the best of our knowledge and belief that as of December 31, 2024, the Metropolitan Transportation Authority's Enterprise Risk Management and Internal Controls structure and procedures are effective and fully compliance with the Act and all relevant standards.
