## Here Is Everything That Has Changed Since Congestion Pricing Started in New York

Fewer cars. Faster travel. Less honking.  
And some questions we still can't answer.

By [Emily Badger](#), [Stefanos Chen](#), [Asmaa Elkeurti](#), [Winnie Hu](#), [Francesca Paris](#) and [Ethan Singer](#)

The reporters sought information from everyone they could think of, including the M.T.A., the Fire Department, restaurant-booking platforms, researchers and one yellow school bus company.

Policy changes often take years to show results. Even then, you may have to squint to see them.

And then there is congestion pricing in New York.

### What's changed since the toll began?

Cars on the street	Fewer
Traffic speeds	Faster
Peak commute times	Faster still
Local buses	Faster, less delayed
Traffic outside the zone	Not worse
New Jersey commutes	Faster
Transit ridership	Up, up, up
Yellow taxi trips	Up
Citi Bike trips	Up in and out of the zone
Car crash injuries	Down
Parking violations	Down
Traffic noise complaints	Down
Fire response times	Slightly down
School bus delays	Fewer
Visitors to the zone	Up
Restaurants, Broadway	Holding up
Pollution	Too soon to say
Lower-income commuters	Too soon to say
Public opinion	Not great, but improving
