MTA COVID-19 TESTING

Attention MTA Employee: You can be tested for COVID-19 and for COVID-19 antibodies at any Northwell Health-GoHealth Urgent Care location. In order to reserve a spot at a Northwell-GoHealth center, please visit www.gohealthuc.com/nyc. You can also schedule testing by calling (718) 987-4893.

MTA Employees will need to show identification and are requested to bring a copy of this form with them when visiting.

Attention Northwell Health-GoHealth Team Member:

Please register this MTA employee with an MTA visit type

Attention: MTA EMPLOYEES

Please be advised that your test results will be shared with your employer.

Please notify a staff member prior to testing if
you have any objection and Northwell will not release this information.
