

New York City Transit (NYCT) is planning on constructing a communications tower (monopole) in Queens, NY. The monopole, FCC form 854 file number A1166732, will be located at NYCT Corona Rail Yard in Queens, NY 11356 (Willets Point-Roosevelt Ave, Corona, Queens, NY 11356). Coordinates of the location are 40°45'18.0" N, 73°50'29.4" W.

The project will consist of the construction of a 125-foot-tall monopole with appurtenances and associated communications equipment shelter. The ground space will be developed within the yard property. Interested persons may review the application by going to www.fcc.gov/asr/applications and entering the FCC form 854 file number provided above. Interested persons may raise environmental concerns about the structure by filing a Request for Environmental Review with the Federal Communications Commission (FCC).

The FCC strongly encourages interested parties to file requests online; instructions for making such filings can be found at www.fcc.gov/asr/environmentalrequest; however, paper filings can be mailed to:
