

MTA

SMALL BUSINESS DEVELOPMENT PROGRAM

**DIRECTORY OF PARTICIPATING
CONSTRUCTION CONTRACTORS**

Published: April 15, 2025

Department of Diversity and Civil Rights
<https://new.mta.info/sbdp>

Welcome to the MTA Small Business Development Program (SBDP) Contractor Directory – State of New York

All MTA Small Business Development Program contractors complete a rigorous training program that enables them to incorporate construction industry best practices, management expertise, as well as tools and skills needed to grow their businesses and take on progressively larger contracts with the MTA and other public agencies. We hope you will consider them for your next project.

The SBDP has published these directories to provide you with contact information for each of our program's contractors. It is categorized to assist you in identifying potential teaming partners and subcontractors. The trades identified are those that have been prequalified through the MTA's Small Business Mentorship Program.

The MBE and WBE certifications listed are those currently active with the New York State Empire State Development (ESD). Several of our contractors have applications pending with ESD, and once attained, they will be reflected in future publications.

- **M/WBE** certification with New York State Empire State Development may be verified [here](#).
- **DBE** certifications listed are currently active and reported on the New York State Unified Certification Program website may be verified [here](#).
- **SDVOB** certification is administered by the New York State Office of General Services and may be verified [here](#).

Thank you for your consideration of SBDP contractors for your next project. We look forward to sharing future publications of these directories with you.

Sincerely,

The MTA's Small Business Development Team

Lourdes Zapata
Chief Diversity and Inclusion Officer
Small Business Development Program
MTA Department of Diversity and Civil Rights
