

Penn Station Access is a critical transportation equity project which will improve reliability, reduce travel time, and expand mass transit options throughout the region.

Weekend Work: Overnight Full Closures of Bronx River Parkway between Pelham Parkway and Cross Bronx Expressway

The Penn Station Access Project will be performing weekend work to pull overhead signal cables above the Bronx River Parkway. To safely perform this work, **the Bronx River Parkway will be closed overnight, when vehicular traffic is at its lightest, to all vehicular traffic October 31 to November 3 and November 14 to November 17. The parkway will remain open during daytime hours.** Please see below for detailed work hours.

Detours will be in place to direct vehicles to exit northbound and southbound Bronx River Parkway.

- Vehicles traveling northbound on Bronx River Parkway will take **Exit 4** and follow the detour to reenter via Pelham Parkway.
- Vehicles traveling southbound on Bronx River Parkway will take **Exit 7E** and follow the detour to reenter via E. 174th Street.

We will continue to update the community on traffic pattern changes as work progresses in the coming months. We appreciate your understanding and patience while we advance this vital transit equity project.

Overnight Closures: October 31 - November 3 and November 14 – November 17

- **Friday Night 11PM to 6AM Saturday Morning**
- **Saturday Night 11PM to 6AM Sunday Morning**
- **Sunday 12AM (midnight) to 5AM Monday Morning**
