SPECIAL TRANSFER RULES**

Subway Fares  
Local Bus Fares  
Express Bus Fares  
Staten Island Railroad Fares  
Paratransit Fares

Effective January 4, 2026

**I. Special Transfer Rules** – The following transfers are permitted and subject to change based upon service adjustments.

A. Special free Subway to Subway Transfers – See Appendix I.

B. Second Free Transfers – customers who used a free transfer to transfer to a local bus are entitled to a second free transfer to a local bus between designated local bus routes at designated locations, as specified in Appendix II

C. UniTickets - Customers with UniTickets purchased from Metro-North Commuter Railroad Company or The Long Island Rail Road Company can ride at no charge on designated local bus service. See Appendix III for UniTicket Transfer Stations and Connecting Local Bus routes.

D. Special Transfers on Subway, Local Bus and SIR service – See Appendix IV.

E. Transfers Due to Subway Service Disruptions. Regular and reduced fare passengers are entitled to transfer to another subway line or local bus route due to a service disruption with proper Courtesy Pass or General Order Transfer, as follows:

1. At the discretion of Station management/supervision, up to two Courtesy Passes per passenger are issued during unplanned subway service disruptions and are valid for transfer to any subway line or local bus route. Courtesy Passes are valid for up to 48 hours after issuance. No additional transfers are issued to passengers presenting Courtesy Passes when boarding buses.

2. Up to two General Order Transfers per passenger are issued during planned General Order service disruptions and are only valid for transfer to authorized subway and/or bus route(s) during the General Order service disruption. General Order Transfers are valid until the time indicated, on the date of issue.

F. Transfers Due to Bus Breakdowns or Unscheduled Short-Turns. Regular and reduced fare bus passengers are entitled to transfer to the next available bus operating in the same service path and direction as the original vehicle due to a breakdown or unscheduled short-turn with an electronic Continuation Ticket issued by the bus operator of the original vehicle at the point where the scheduled trip is interrupted. A continuation ticket is valid for 30 minutes from the time issued.

G. Transfers Due to Planned or Unplanned Bus Service Disruptions. Regular and reduced fare bus passengers are entitled to up to two electronic paper transfers valid on any other local bus route when customers cannot complete their trip on the same service path and direction due to planned or unplanned service disruptions. Both electronic paper transfers are issued by the operator of the original vehicle after it is determined that customers cannot complete their trip. Electronic paper transfers are valid for two hours from the time the transfer is issued and are not valid for a transfer to the route initially boarded.

H. Group Transfers

1. Subway and Local Bus - Groups of up to four people may enter a subway or local bus on a single value-based MetroCard or OMNY fare payment method. The MetroCard or OMNY fare payment method must be used once for each person entering the subway or local bus. The fare media will be encoded with a free transfer for each entry swipe, enabling the entire group to transfer free provided the transfer is completed within two hours of the initial fare payment for all members of the group. The transfer for the group may be accomplished with one swipe of the MetroCard. With an OMNY payment method, the transfer requires a tap for each member of the group.

2. Express Bus to Local Bus or Subway - Up to four people may enter an express bus as a group on a single value-based MetroCard or OMNY fare payment method. The MetroCard or OMNY fare payment method must be used once for each person boarding the bus. The card will be encoded with a free transfer for each payment, enabling the entire group to transfer free to a local bus or to the subway, provided the transfer to the local bus or subway is completed within two hours of the initial fare payment for all members of the group. The transfer for the group may be accomplished with one swipe of the MetroCard. With an OMNY payment method, the transfer requires a tap for each member of the group.

3. 7-Day Fare Cap – When travelling as a group using one OMNY fare payment method, only the first OMNY tap applies to the fare cap for that OMNY fare payment method.

II. **Mutilated Paper Transfers.** Mutilated paper transfers of any kind will not be accepted. A passenger presenting a mutilated paper transfer must pay the appropriate fare.

## **APPENDIX I**
