

# Call for Artists

## MTA Metro-North Railroad • Harlem Line Southeast Station

MTA Arts & Design seeks images of artists' previous work to review in consideration for a new public art opportunity in conjunction with the Metro-North Brewster Yard Improvements Program at Southeast Station in Putnam County, NY. The proposed artwork will be incorporated into the new parking garage facility to be constructed to the east of the Station. The artwork selected will be realized in glass and mixed media (approximately 1,500 sf) by an approved fabricator. An artist's prior experience with these materials will not be taken into consideration when reviewing images. All artistic mediums will be considered.

### SELECTION PROCESS

A selection panel comprised of arts and design professionals will select finalists to develop original proposals. Finalists will be given site specifications and a detailed overview of the project to create a proposal for site-specific artwork for the station, for which they will receive an honorarium of \$1,500. Following the selection panel's review of proposals, one artist will be selected to receive the commission.

The budget for design and fabrication of the artwork at the station is to be determined. The selected artist will receive an artist fee and be required to produce final designs, select a fabricator and oversee the fabrication and installation of the artwork, with project management by MTA Arts & Design.

### TO APPLY

Eligibility is based upon artistic merit as evidenced in previous work, exhibition history, awards, honors, and publications, and demonstrated proficiency and technical knowledge of the medium in which the artist regularly works.

All artists interested in being considered for projects must apply online. Please submit up to 20 images along with a short application form, a bio, CV, and brief artist statement to [mtaarts.submittable.com](https://mtaarts.submittable.com).

Submissions must be complete by 11:59 pm EST on Sunday, February 8, 2026.
