Summary of B&T workforce numbers, new hires, separations, Employee Resource Group (ERG) events and accomplishments, and complaints. The Diversity and Equal Opportunity Report provides information quarterly and included in the Committee Book.

Financial Report

Summary presentation of the financial indicators for the month, which includes the Balance Sheet for the reported month, Accrual Statement of Operations for the month and year-to-date, variance analysis, traffic volume and ridership information, toll collection rates, and headcount charts. The Financial Report is provided on a one-month lag, except in the month of September, at which time it includes the July and August reports.

Key Performance Metrics

A summary of major MTA Bridges and Tunnels Key Performance Indicators (KPIs), featuring graphics and analyses covering Traffic Trends, Safety Performance, Enforcement Activity, Financial Results, and Major Project Updates.

Procurements

List of procurement action items requiring Board approval. The non-competitive items are listed first, followed by competitive items, and then ratifications. The list will indicate items that require a 2/3 vote and a majority vote of the Board for approval. Procurements are for the current month; in the month of September, the August and September procurements are included.

Staff summary documents presented to the Board for approval for items affecting business standards and practices.
