

SECOND AVENUE SUBWAY PHASE 2 East Harlem

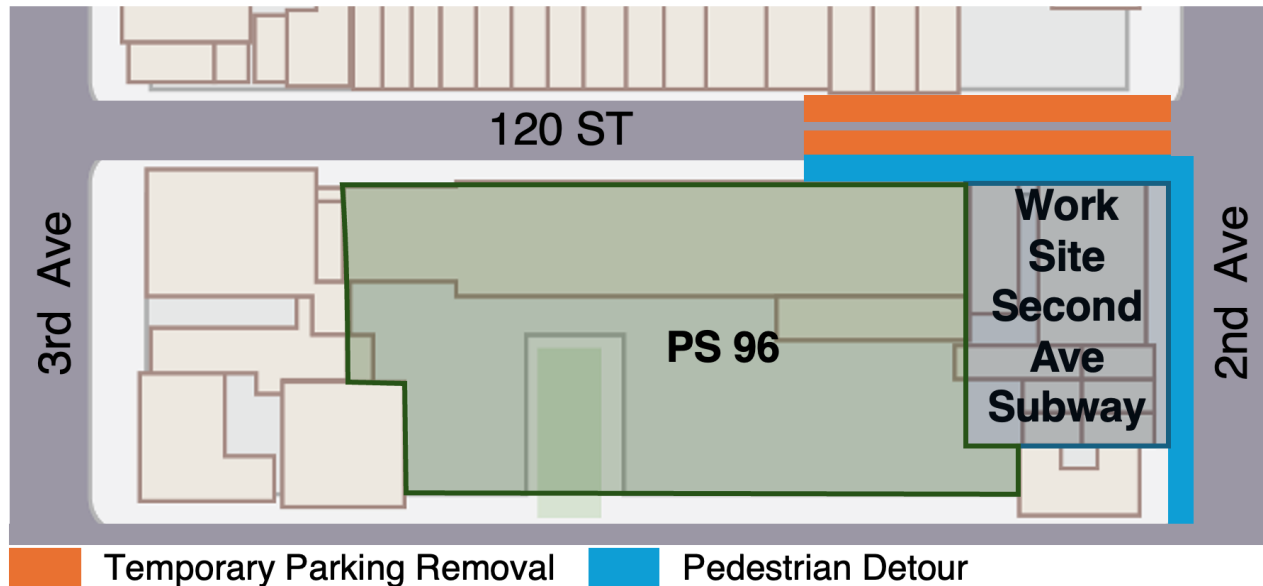

COMMUNITY OUTREACH

116 STREET STATION AREA

WINTER 2026

CONSTRUCTION NOTICE

TEMPORARY PARKING REMOVAL AND PEDESTRIAN DETOUR FOR MPT ON 120 ST AS SOON AS FEBRUARY 16, 2026

The MTA and its contractor, Connect Plus Partners (C+P), are advancing Contract 2 (C2) of Phase 2 of the Second Avenue Subway (SAS2) project. The Southwest corner of 120th St. and 2nd Ave. will serve as the launch box for the tunnel boring machine.

PLEASE BE ADVISED: As the contractor begins to set up the maintenance and protection of traffic (MPT) required for the work on this site, the street parking noted above in orange will be temporarily unavailable and pedestrians will be detoured into a temporary protected walkway for the duration of the project until 2029.

Where deliveries and heavy machinery cross sidewalks to enter or exit work site, flaggers will be present as necessary to assist deliveries and safely manage pedestrian movement.

Sign up: For notifications use the QR code
