

**Notice of Potential Refunding of Triborough Bridge and Tunnel Authority  
General Revenue Bonds Issued as Build America Bonds**

**TRIBOROUGH BRIDGE AND TUNNEL AUTHORITY**

The Triborough Bridge and Tunnel Authority (“MTA Bridges and Tunnels”) is considering refunding all or a portion of its outstanding General Revenue Bonds issued as Build America Bonds and identified in **Attachment A** hereto (the “Refunding Candidates”) with a portion of the proceeds of its General Revenue Refunding Bonds, Subseries 2026A-2 (the “Refunding Bonds”), as more particularly described herein.

The Refunding Candidates are subject to extraordinary redemption, at the option of MTA Bridges and Tunnels, upon the occurrence of an “Extraordinary Event.” A description of the applicable redemption provisions, including the definition of “Extraordinary Event” and the calculation of the applicable redemption price is available in the Official Statement for the Refunding Candidates. Such Official Statement has been posted to and is available on the Electronic Municipal Market Access system (“EMMA”) of the Municipal Securities Rulemaking Board and is not incorporated herein by reference, either expressly or by implication. MTA Bridges and Tunnels expects to use, for purposes of calculating the applicable extraordinary redemption prices of the Refunding Candidates chosen for refunding, the most recent Treasury Rate published in the Federal Reserve Statistical Release H.15 (519) that becomes publicly available on May 21, 2026.

As of the date of this notice, MTA Bridges and Tunnels expects to issue the Refunding Bonds on or about May 28, 2026, the proceeds of which are expected to be used to refund outstanding General Revenue Bonds of MTA Bridges and Tunnels, including the Refunding Candidates. The Preliminary Official Statement for the Refunding Bonds will be posted to EMMA, and is not incorporated herein by reference, either expressly or by implication. The final Official Statement relating to the Refunding Bonds will contain the definitive list of bonds to be refunded, which may include all, some or none of the Refunding Candidates and may include other outstanding bonds which are not Build America Bonds. On or about May 21, 2026, MTA Bridges and Tunnels expects to provide a conditional notice of redemption, which notice will include the applicable redemption prices of the Refunding Candidates selected for redemption.

MTA Bridges and Tunnels cannot guarantee that any transaction will be consummated, that any Refunding Candidates will be refunded, or that all or any portion of the Refunding Bonds will be offered, sold or issued. The size, timing and structure of the Refunding Bonds issuance will depend on variables including market conditions, interest rates, and other factors. Prior to the issuance of the Refunding Bonds, MTA Bridges and Tunnels reserves the right to change, modify, or terminate all or any portion of the Refunding Bonds as it deems appropriate.
