OPENING/DUE DATE: 09/30/2026

TYPE OF SOLICITATION: RFP

DOCUMENT AVAILABILITY DATE: 08/18/2026

SOLICITATION TITLE: RFP: Paratransit Camera Security System

DESCRIPTION: The New York City Transit Authority ("NYCT" or the "Authority") provides origin-to-destination, demand-responsive, shared-ride paratransit service under the name "Access-A-Ride" for individuals with disabilities who meet defined eligibility criteria. The Authority's Paratransit Division ("**Paratransit**") is soliciting proposals for the installation and deployment of a vehicle camera system (the "**Paratransit Camera Security System**" or "**PCSS**") on an estimated one thousand one hundred and twenty-eight (1,128) Vehicles. The PCSS will capture, record, transmit, store, and manage video, and, when enabled by the Authority, audio, in furtherance of Paratransit's commitment to safe and reliable public transit service. Paratransit intends to use the PCSS primarily to: (i) review customer, driver, safety, security, accident, and other operational incidents and the circumstances surrounding them; (ii) evaluate and improve Paratransit operations; and (iii) interoperate with and supplement the Authority-Provided System designated by the Authority for centralized video management (the "**MTA Video Management Platform**"). As of the Notice of Award, the MTA Video Management Platform is expected to be the Genetec Enterprise Platform. The Authority may change the designated MTA Video Management Platform during the Term in accordance with the Contract.
