

Haverstraw-Ossining Ferry

To Our Ferry Customers:

To alleviate potential crowding on the Haverstraw-Ossining Ferry during the PM Peak period on Monday to Thursday, September 28th - October 1st, Metro-North is adding supplemental bus service from Tarrytown station to the Haverstraw ferry terminal.

The ferry will operate on its normal schedule, and customers may use the ferry as they normally do. However, for those customers who wish to avoid crowds or possible delays at Ossining, buses at Tarrytown station will meet some of the trains normally met by the ferry at Ossining and will run on the schedule shown below. This additional service option will operate Monday to Thursday, September 28th - October 1st.
