

125th Street Subway Tunnel Public Scoping Sessions

The Metropolitan Transportation Authority (MTA) is proposing to **construct a new east-west subway tunnel beneath 125th Street in Harlem**. A Draft Scoping Document is available for public comment until November 13, 2026 at mta.info/project/125-street-subway.

Attend one of our upcoming public scoping sessions to learn more about the proposed 125th Street Subway Tunnel, get project updates, and share your feedback.
