***If you are promoted into this position, you must pass the next Civil Service Exam and be called off the resulting list for this title to obtain permanent civil service status.**

Compensation:

Salary Range: The current minimum salary for Maintenance Supervisor (Ventilation & Drainage) is $85,868 per annum for a 40-hour work week, increasing to $107,335 per annum in the sixth year of service. These rates are subject to change. There are two assignment levels within this class of positions. Promotions will be made to Assignment Level I. After promotion, employees may be assigned to the higher assignment level at the discretion of MTA New York City Transit.

Responsibilities:

Maintenance Supervisors (Ventilation and Drainage), under general supervision, perform work of varying degrees of difficulty and responsibility involving the inspection, installation, maintenance, testing, alteration and repair of MTA New York City Transit's ventilation and drainage equipment. At Assignment Level I, Maintenance Supervisors (Ventilation and Drainage) supervise staff engaged in the inspection, installation, operation, maintenance, testing, alteration and repair of railroad ventilation and drainage systems. These systems include fans, blowers, louvers, motors, wiring, air compressors, magnetic and air valves, air piping, sewage ejectors, electric, pneumatic, and gasoline driven pumps, stokers, and related control equipment; supervise related structural work when necessary; compile and analyze records and write reports; may perform inspection work on new equipment and material at manufacturing plants; read and analyze vibration spectra; operate a motor vehicle; and perform related work.

Some of the physical activities performed and environmental conditions experienced by Maintenance Supervisors (Ventilation and Drainage) are: climbing and descending ladders and stairways; ascending and descending between catwalks and roadbeds; responding to visual and audible signals; working on elevated structures; and working outdoors in all weather conditions.

Special Working Conditions: Maintenance Supervisors (Ventilation and Drainage) may be required to work various shifts, including nights, Saturdays, Sundays and holidays.

(This brief description does not include all of the duties of this position.)

Eligibility Requirements:

1. Is permanently (not provisionally) employed in the eligible title of Ventilation & Drainage Maintainer; and
2. Is not otherwise ineligible.

How to Apply:

For active MTA employees, apply using the MTA Business Service Center (BSC) employee portal at www.mymta.info, and navigate to "My Job Search," by the last day of the application period. Non-active MTA employees must email us by the last day of the application period at examsunit@nyct.com for application

instructions. Note: The application system may not function properly with mobile devices or tablets. For best results when applying, please use the latest version of Microsoft Edge, open a new window, and avoid having multiple tabs open in the same window

Selection Method / Admission Letter:

Candidates may be asked to participate in one or more of the following: an education and experience test, a written assessment, a practical skills assessment and/or a structured interview.

Candidates are subject to various evaluations such as safety record, Disciplinary Action Notification reports, and 5-year sick leave balance.

Applicants must keep their contact information (email, mailing, phone) up to date. The contact information you entered in your online profile with the MTA will be used to contact you. You can update your address and other contact information.by logging into your MTA profile or by sending an email to examsunit@nyct.com.

Requirements to be Promoted:

Probationary Period: At the time of promotion, you must have completed your probationary period in the eligible title as indicated in the above "Eligibility Requirements" section, and you must be permanently employed in that title or your name must appear on a Preferred List for the title at the time of promotion. Additionally, you must have served permanently in the eligible title for at least one year. Time served prior to a break in service of more than one year will not be credited.

Driver License Requirement: At the time of promotion, you must have a Motor Vehicle Driver License valid in the State of New York with no disqualifying restrictions that would preclude the performance of the duties of this title. If you have serious moving violations, a license suspension or an accident record you may be disqualified. This license must be maintained for the duration of your employment in the title.

Drug Screening Requirement: You must pass a drug screening in order to be promoted.

Additional Information

Training: You may be required to undergo a formalized training course during your probationary period. Failure to successfully complete the training course may result in termination or a return to your previously held permanent title.

Probationary Period: You will be required to complete a probationary period. If you do not successfully complete the probationary period, you may be terminated or returned to your previously held permanent title.

Equal Employment Opportunity:

MTA is an Equal Opportunity Employer, including veteran status and individuals with disabilities. The MTA encourages qualified applicants from diverse backgrounds and experiences, including military service members, to apply.
