

## MTA COVID Testing Schedule

Occupational Health Services (OHS) will be providing FREE COVID Testing on a voluntary basis to all active employees . Please bring your Agency ID for verification.

All employees MUST wear a mask upon entry.

This list will be updated weekly to include additional work locations.

**Please call the OHS Hotline number to register for a time slot in advance - 8am to 4pm**

**You will not be turned away if you do not have an appointment.**

---

If you have previously tested positive for COVID-19, you are likely to have antibodies and this may result in a false positive. In this case, you would not be eligible for this test. We recommend that you get an antibody test available free to MTA employees at [Northwell Health UC](#) or through your Healthcare Provider
