

Proposed Changes to MTA Fares, Crossing Charges, and Related Policies

The MTA is beginning its biennial process for the review of its fares, crossing charges, and related policies. This review process has been in place since 2010. Hearings will be held on the dates and times noted below on proposed changes to MTA fares, crossing charges, and related policies. Because of the COVID-19 pandemic, the MTA will convene these hearings virtually on Zoom, with a livestream available on the MTA's 2020 Fare and Toll Hearing website, [new.mta.info/2020hearings](https://www.mta.info/2020hearings). The public is invited to comment on the proposed changes, which are summarized below and pertain, as applicable, to the fares of the Long Island Rail Road Company (LIRR), Metro-North Commuter Railroad Company (Metro-North), New York City Transit Authority (NYCT) and its subsidiary, the Manhattan and Bronx Surface Transit Operating Authority (MaBSTOA), the MTA Bus Company (MTA Bus), and the Staten Island Rapid Transit Operating Authority (SIR), and to crossing charges of the Triborough Bridge and Tunnel Authority (MTA Bridges and Tunnels). Proposed fares also may be available through OMNY, the MTA's new fare payment system. The fare and toll proposals allow for a range of options to be considered; increases to fares or crossing charges may be less than the maximum amounts specified. Following the hearings, after considering public comment, the Boards of the MTA and its affiliated agencies will decide which potential fare and crossing charge adjustments and policy changes to adopt.

Space limitations prevent newspaper publication of each proposed fare, crossing charge, or policy. For more details on these potential changes, please visit [new.mta.info/2020hearings](https://www.mta.info/2020hearings), consult information posted at MTA stations and on digital display boards, or call the Public Hearing Hotline at (646) 252-6777.

Proposed Fare, Crossing Charge, and Policy Changes Under Consideration

Following the hearings, one or more of the proposed changes listed below could be adopted:

NYCT, MaBSTOA, MTA Bus, SIR

Fares for Subway (NYCT), Local Bus (NYCT, MaBSTOA, and MTA Bus), and SIR:

- Eliminate Single Ride Ticket option, or maintain current Single Ride Ticket option.
- Maintain the existing base fare for cash payment, Pay-Per-Ride MetroCard and/or Single Ride Ticket, or increase the base fare for cash payment and/or Pay-Per-Ride MetroCard by up to 25¢, and/or increase the base fare for Single Ride Ticket by up to \$1.00.
- Eliminate on-board cash payment for single ride local bus fare, or maintain current cash payment option.

MetroCard Discount (currently not available):

- Maintain the current undiscounted base fare, or establish a reduced MetroCard fare reflecting a discount of up to 7% from the new base fare, for MetroCard purchases above an initial purchase threshold of up to \$6.00 plus any applicable fee for purchase of a new MetroCard (the "green fee").

Unlimited Ride MetroCard:

- Maintain the 7-Day Unlimited Ride, 30-Day Unlimited Ride, and 7-Day Express Bus Plus MetroCards, or eliminate one or more of the time-based passes. If any time-based pass is eliminated, eliminate other ticket types that include the eliminated time-based pass, including but not limited to the LIRR Atlantic Ticket Joint Weekly + 7-Day Unlimited Ride ticket, the discounted Mail & Ride Joint Monthly Railroad Pass + Unlimited MetroCard, and weekly and monthly UniTickets.
- In the event that the existing base fares for cash payment, Pay-Per-Ride MetroCard, and Single Ride Ticket are increased:
 - The price of a 7-Day Unlimited Ride MetroCard (currently \$33.00) may increase to up to \$34.75.
 - The price of a 30-Day Unlimited Ride MetroCard (currently \$127.00) may increase to up to \$134.00.
 - The price of a 7-Day Express Bus Plus MetroCard (currently \$62.00) may increase to up to \$65.50.

 - The price of a 7-Day Express Bus Plus MetroCard (currently \$62.00) may increase to up to \$67.75.

Fares for Express Bus (NYCT and MTA Bus):

- Maintain the current single ride express bus fare (currently \$6.75), or increase the single ride express bus fare to up to \$7.25.

Fares for Paratransit Services (currently \$2.75):

- In the event that the Base Single Ride Fare for Pay-Per-Ride MetroCard is increased, increase New York City Access-A-Ride one-way fares by up to 25¢.

MetroCard Fee:

- Maintain the current \$1.00 fee for a new MetroCard purchased at a subway station or MTA commuter rail station or from a MetroCard vending machine (the "green fee"), or increase the fee to up to \$3.00.

Walk-Up Reduced Fare:

- Eliminate option for eligible riders to show identification at ticket booth or on buses to obtain reduced fare (which would require riders to register for reduced fare benefit), or maintain the walk-up reduced fare option.

Discount Policies:

- Seniors/Customers with disabilities/Paratransit Zero Fare discount policies (except as otherwise noted) remain unchanged and will pertain to applicable fares as modified.

MTA Bridges and Tunnels

- Increase crossing charges for passenger vehicles to as much as \$6.70 for E-ZPass New York Customer Service Center (NYCSC) customers when using their properly mounted NYCSC E-ZPass tag.
- Different crossing charges will apply to non-NYCSC E-ZPass and Tolls by Mail customers, motorcycles, buses, and trucks, as well as to NYCSC E-ZPass customers when not using their properly mounted E-ZPass tag.
- Different crossing charges may apply by time of day and/or on predesignated Gridlock Alert Days.
- Bridges and Tunnels resident discounts and carpool plans and MTA rebate programs may be affected.

LIRR & Metro-North

Monthly, Weekly, and Other Ticket Types

- Increase monthly ticket prices up to 4.3%. Increase weekly ticket prices up to 5.9%. Increase fares in an amount from 0% to 11.2% on all other ticket types (including but not limited to City Ticket and Atlantic Ticket), with any increase greater than 6% held to a maximum increase of \$0.50 per trip.
- Alternatively, the Board may adopt a proposal to increase monthly ticket prices up to 4.3%, increase weekly ticket prices up to 5.9%, and increase fares in an amount from 0% to 16.7% on all other ticket types (including but not limited to City Ticket and Atlantic Ticket), but retain authority to offer revocable pilot programs or conduct field studies that provide discounts on some or all ticket types.

Other Fare and Policy Proposals:

- Special discounted fares, supplemental step-up, on-board fares, and ride extension fares may be subject to percentage increases higher than increases to base fares due to rounding.
- The new Elmont Station will be designated as an LIRR Zone 4 Station.
- Maintain current Mail & Ride Program distribution channels, or distribute Mail & Ride only through Mobile platform.
- Maintain current Mail & Ride discount for Joint Monthly Railroad Pass + Unlimited MetroCard (2%), or eliminate the Joint Monthly Railroad Pass + Unlimited MetroCard.

Alternate Flat Fare Proposal:

- Maintain current fare zone structure, or condense zone structure to two zones (a New York City Zone excluding the Far Rockaway Station, and a Suburban Zone comprising only Nassau, Suffolk, Westchester, Dutchess and Putnam Counties and the Far Rockaway Station) and three fares (travel within the City Zone, travel between the Suburban Zone and the City Zone, and travel within the Suburban Zone only), with no peak or off-peak travel price differential and no monthly discounts. For Metro-North, this proposal will not apply to the West of Hudson fare and zone structure. Under this proposal, other discounted fares will be maintained, and 10-trip tickets may be eliminated.

- Monthly ticket prices would be up to: \$262.00 within the City Zone; \$329.00 for Suburban-City travel; and \$175.00 within the Suburban Zone.
- Weekly ticket prices would be up to: \$83.75 within the City Zone; \$105.25 for Suburban-City travel; and \$54.25 within the Suburban Zone

UniTicket and One-Way Connecting Fares:

- Increase weekly connecting fares for Hudson Rail Link by up to 50¢, for Haverstraw-Ossining Ferry by up to 50¢, and for Newburgh-Beacon Ferry by up to 25¢.
- Increase monthly connecting fares for Hudson Rail Link and Haverstraw-Ossining Ferry by up to \$1.75, and for Newburgh-Beacon Ferry by up to 50¢.
- Increase weekly fare for connecting local NYC bus service (NYCT, MaBSTOA and MTA Bus) by up to 50¢, and monthly fare by up to \$2.50.
