Notice of Meeting

MTA New York City Transit Forum

For

Contractors, Suppliers and Installers

Construction Contracting via A + B Sealed Bidding

Friday, July 26, 2019 @ 10:00AM

I. PURPOSE

MTA New York City Transit (“NYCT”) is holding a Forum to inform contractors, subcontractors, suppliers and installers about projects that will be solicited using A + B Sealed Bidding for awarding several upcoming contracts for construction.

This Notice of Meeting is being publicized on NYCT’s website and is being sent to prospective contractors, subcontractors, suppliers and installers.

NYCT will provide an Overview of upcoming capital projects, as well as current solicitations that will utilize A + B sealed bidding.

The procurement methodology of A + B sealed bidding will be included on projects of various size and complexity, and in various construction categories (electrical, signals, elevator/escalator and general construction).

The purpose of this forum is to inform the contracting community of this alternate bidding approach as well as to collect feedback that may inform future solicitations.

The information provided by NYCT in connection with this forum does not represent a solicitation or any promise that solicitations will be issued by MTA or NYCT in the future. This forum does not commit the MTA or NYCT to contract for any material or services.

NYCT reserves the right to accept/reject or use any information provided by suppliers/installers in connection with this forum without obligation or compensation. The MTA and NYCT shall not pay for any information or any costs incurred in responding to this forum.

NYCT's Department of Materiel is responsible for all matters related to this forum and has designated the individual named below as the Procurement Representative to administer same. All contacts regarding this RFI shall be made only to such Procurement Representative.
