Indefinite Quantity Environmental Consulting Services for Federally and State Funded Miscellaneous Construction Projects

Metropolitan Transportation Authority (MTA) Construction & Development (C&D) is seeking to retain the services of multiple consultant firms to provide environmental consulting services on an as-needed basis for State/Local and Federal funded projects for the MTA and its affiliated agencies (New York City Transit, Long Island Rail Road, Metro-North Railroad, Bridges and Tunnels and MTA Bus). All environmental consulting services shall be procured via Task Order. The total of all Task Orders issued for the performance of environmental consulting services shall not exceed the total services cost of this contract series which is estimated at an aggregate \$30 Million dollars.

The Scope of Work for Task(s) to be performed may include, but is not limited to; air monitoring of chemical and stack emissions, management and performance of field surveys; design of remediation and mitigation plans; laboratory analysis if required; the analysis, interpretation and reporting of all data collected; climate change impact assessments; and, the preparation of reports concerning environmental aspects of planned and ongoing MTA C&D projects.

The contract duration is three (3) years.

The DBE goal for the Federal Contracts has been established at 22.5%.

The M/WBE/SDVOB goals for the State/Local Contracts have been established at MBE 15%, WBE 15%, and SDVOB 6%.

The RFP document will aid you in preparing the written Technical and Cost Proposals. Proposals shall be evaluated by MTA C&D personnel in accordance with the specific evaluation criteria set forth in the RFP. The Selection Committee will evaluate the proposals in accordance with the criteria contained in the RFPs.

A Pre-Proposal Conference is scheduled for Thursday, November 4, 2021 at 10:00 AM via Microsoft Teams. List of attendees must be emailed to the Contracting Officer by Tuesday, November 2, 2021.

Consultants must respond by submitting separate Technical and Cost Proposals as detailed above, referencing: SSE#0000372134 / D81657 to TBD & D81658 to TBD - Indefinite Quantity Environmental Consulting Services for Federally and State Funded Miscellaneous Construction Projects which shall be submitted by Wednesday, December 1, 2021 at 2:00 PM.

SHORT SCOPE OF WORK

**D81657 to TBD (Federal) & D81658 to TBD (State)
SSE #0000372134**

Indefinite Quantity Environmental Consulting Services for Federally and State Funded Miscellaneous Construction Projects

Comprehensive environmental issues shall include, but not be limited to: air monitoring of chemical and stack emissions, management and performance of field surveys; design of remediation and mitigation plans; laboratory analysis if required; the analysis, interpretation and reporting of all data collected; climate change impact assessments; and, the preparation of reports concerning environmental aspects of planned and ongoing MTA C&D projects.

The Scope of Work shall be completed in accordance with all applicable environmental laws, rules, and regulations. In addition, the Scope of Work must adhere to all requirements of the applicable Federal, State, City and any other local agencies.
