

Main Line East

This pamphlet shows the proposed December 2022 schedule at the following stations:

New Hyde Park
Merillon Avenue
Mineola
Carle Place
Westbury
Hicksville

Service Overview

The new schedule for the Main Line takes advantage of the new third track along the corridor. It allows us to offer meaningful reverse peak service for the first time, double off peak and weekend service, and add more peak trains.

Weekday Peak (arriving NYC 6–10 AM and departing 4–8 PM)

At New Hyde Park, Merillon Avenue, Carle Place, and Westbury, peak service has been significantly increased – by nearly 30% in the morning and 75% in the evening.

At Mineola and Hicksville, service has been increased by 20-25%.

Most trains will run to/from Manhattan, with limited Hunterspoint Av through service available. All trains will stop at Jamaica, where transfer opportunities will be available for Brooklyn.

Off-Peak and Weekend

At New Hyde Park, Merillon Avenue, Carle Place, and Mineola, trains will run every half hour, with hourly service to Penn Station and hourly service to Grand Central. This is double current service levels.)

Mineola and Hicksville stations now see four trains an hour, with two to Penn Station and two to Grand Central.

Mineola also sees an additional train every 1-2 hours to and from the Oyster Bay Branch.

This is a 50-100% increase over current service levels.

Reverse commute service has been significantly improved, with gaps of up to 3 hours in the morning and 90 minutes in the evening now closed.
