

# Port Jefferson East

This pamphlet shows the proposed December 2022 schedule at the following stations:

**Greenlawn**  
**Northport**  
**Kings Park**  
**Smithtown**  
**St. James**  
**Stony Brook**  
**Port Jefferson**

*Huntington, Hicksville, and Mineola stations are shown here for the convenience of those who are planning a trip between it and points east of Huntington. Not all trains serving these three stations are shown here — to plan a trip to Jamaica, Grand Central, or Penn Station, use the Port Jefferson West or Main Line East pamphlet.*

## Service Overview

### Weekday Peak (arriving NYC 6 – 10 AM and departing 4 – 8 PM)

Peak service consists of two dual mode trains to Penn Station, one Huntington shuttle train with an electric connection at Huntington, and 5 Hunterspoint Av through trains.

Morning rush hour departure times have been adjusted to more evenly space trains. Most trains will stop at Huntington to improve travel options to Nassau employment centers.

In the evening rush hour, the timing of the Penn Station direct trains has been adjusted to provide one in the 5 PM hour.

### Off-Peak and Weekend

Trains will run every 90 minutes between Port Jefferson and Huntington, with limited through service to and from Jamaica.

Transfer opportunities at Jamaica or Huntington for Penn Station and Grand Central will be available for Port Jefferson Branch diesel service. These are denoted by a “J” or “T” in the timetable respectively.
