

Port Jefferson West

This pamphlet shows the
proposed December 2022
schedule at the following stations:

Syosset

Cold Spring Harbor

Huntington

Hicksville through New Hyde Park and Elmont – UBS Arena stations are shown here for the convenience of those who are planning a trip between those stations and a Port Jefferson Branch station. Not all trains serving those stations are shown here — to plan a trip from these stations to Jamaica, Grand Central, or Penn Station, use the Main Line East or Main Line West pamphlet.

Many trains will also stop at Kew Gardens, Forest Hills, or Woodside. Some trains will make additional stops at Floral Park, Queens Village, or Hollis.

Service Overview

Weekday Peak (arriving NYC 6 – 10 AM and departing 4 – 8 PM)

14 electric trains per direction will run between Huntington and Manhattan. Most trains will make all stops through New Hyde Park.

All trains will stop at Jamaica, where transfer opportunities are available for Brooklyn.

At Cold Spring Harbor and Syosset, this is a net increase of one train from 2019 levels. Trains are more evenly spaced, with double the number of Manhattan departures between 7 and 8 PM.

Huntington station also sees limited direct service to Hunterspoint Av via diesel trains bound for points east of Huntington, for a total of 20 trains each way.

This is a 43% increase in morning service and 17% increase in evening service.

Off-Peak and Weekend

The new schedule for the Port Jefferson Branch takes advantage of the new third track on the Main Line. It allows us to offer meaningful reverse peak service for the first time and double off-peak service.

Trains will run every half hour between Manhattan and Huntington, with hourly service to Penn Station and hourly service to Grand Central.

All trains will make all stops through New Hyde Park, and all weekend trains will also stop at Elmont – UBS Arena.

The 122-minute morning eastbound and 88-minute afternoon westbound gaps in service have been closed.

Key to origins and destinations:
